

	<p>Parents and guardians are an indispensable part of a child's education. We recognise that parents and guardians are part of the School community and have a right to participate in their child's education.</p> <p>In order to balance the rights of parents and guardians, students, teachers and staff, we expect parents/guardians to uphold a certain standard of behaviour.</p> <p>This standard allows children to learn, teachers to teach, and other community members to participate in education, free from harassment, violence, intimidation and vilification.</p> <p>Parents and guardians should set an example for their children, and the children of others. They have a shared responsibility with their children, other parents/guardians and the School to ensure that their children abide by the <u>Student Code of Conduct</u>.</p>
